

# SeaLion 05 DM-i 2025 DM-i 115KM Specifications

## Basic Information

| Parameter                                     | SeaLion 05 DM-i 2025 DM-i 115KM        |
|-----------------------------------------------|----------------------------------------|
| Official Price                                | RMB 142,800                            |
| Manufacturer                                  | BYD                                    |
| Class                                         | Compact SUV                            |
| Energy Type                                   | Plug-in Hybrid                         |
| Market Time                                   | 2024.09                                |
| Engine Description                            | 1.5L 101 hp L4 Plug-in Hybrid          |
| CLTC Range                                    | 115                                    |
| Wltc Recharge Mileage                         | 93                                     |
| CLTC Pure Electric Range (km)                 | 115                                    |
| Combined Driving Range (km), MIIT             | 1400                                   |
| Combined Cruising Range Cltc                  | -                                      |
| Charging Time                                 | Fast charge 34 min; Slow charge 5.36 h |
| Fast Charging Window (%)                      | 30-80                                  |
| Engine Maximum Power (kW)                     | 74(101Ps)                              |
| Electric Motor Maximum Power (kW)             | 120(163Ps)                             |
| Maximum Torque (N·m)                          | 126                                    |
| Electric Motor Maximum Torque (N·m)           | 210                                    |
| Transmission Description                      | E-CVT                                  |
| Length x Width x Height (mm)                  | 4710x1880x1720                         |
| Body Structure                                | 5-door 5-seat SUV                      |
| Top Speed (km/h)                              | 180                                    |
| Official 0-100 km/h Acceleration (s)          | 8.5                                    |
| WLTC Fuel Consumption (L/100km)               | 1.14                                   |
| Energy Consumption (kWh/100km)                | 15.8                                   |
| Equivalent Fuel Consumption (L/100km)         | 2.97                                   |
| Fuel Consumption at Low Charge WLTC (L/100km) | 4.9                                    |
| Nedc State OF Charge Fuel Consumption         | 3.79                                   |
| Vehicle Warranty                              | 6 years or 150,000 km                  |
| Estimated Maintenance Cost over 60,000 km     | RMB 5,077                              |

## Body

| Parameter                     | SeaLion 05 DM-i 2025 DM-i 115KM |
|-------------------------------|---------------------------------|
| Length (mm)                   | 4710                            |
| Width (mm)                    | 1880                            |
| Height (mm)                   | 1720                            |
| Wheelbase (mm)                | 2712                            |
| Front Track (mm)              | 1573                            |
| Rear Track (mm)               | 1582                            |
| Minimum Ground Clearance (mm) | -                               |
| Body Structure                | SUV                             |
| Number of Doors               | 5                               |
| Door Opening Type             | Hinged doors                    |
| Seats                         | 5                               |
| Curb Weight (kg)              | 1765                            |
| Gross Weight (kg)             | 2140                            |
| OIL Tank Volume               | 52.0                            |

| Parameter                  | SeaLion 05 DM-i 2025 DM-i 115KM |
|----------------------------|---------------------------------|
| Cargo Volume (L)           | 407-1430                        |
| Minimum Turning Radius (m) | 5.8m                            |

## Engine

| Parameter               | SeaLion 05 DM-i 2025 DM-i 115KM |
|-------------------------|---------------------------------|
| Engine Model            | BYD472QC                        |
| Displacement (mL)       | 1498                            |
| Displacement (L)        | 1.5                             |
| Aspiration              | Naturally aspirated             |
| Engine Layout           | Transverse-mounted              |
| Cylinder Arrangement    | L                               |
| Number of Cylinders     | 4                               |
| Valves per Cylinder     | 4                               |
| Compression Ratio       | -                               |
| Valve Train             | DOHC                            |
| Maximum Horsepower (Ps) | 101                             |
| Maximum Power (kW)      | 74                              |
| Maximum Net Power (kW)  | 70                              |
| Maximum Power RPM       | 6000                            |
| Maximum Torque (N·m)    | 126                             |
| Maximum Torque RPM      | 4500                            |
| Engine Technology       | VVT                             |
| Energy Type             | Plug-in Hybrid                  |
| Fuel Grade              | 92#                             |
| Fuel Supply System      | Multi-point fuel injection      |
| Cylinder Head Material  | Aluminum alloy                  |
| Cylinder Block Material | Aluminum alloy                  |
| Emission Standard       | China VI                        |

## Electric Motor

| Parameter                    | SeaLion 05 DM-i 2025 DM-i 115KM |
|------------------------------|---------------------------------|
| Electric Description         | Plug-in Hybrid 163 hp           |
| Motor Type                   | Permanent magnet synchronous    |
| Total Motor Power            | 120                             |
| Total Motor Horsepower (Ps)  | 163                             |
| Total Motor Torque           | 210                             |
| Front Motor Max Power (kW)   | 120                             |
| Front Motor Max Torque (N·m) | 210                             |
| Drive Motor Count            | Single motor                    |
| Motor Layout                 | Front-mounted                   |

## Battery / Charging

| Parameter                      | SeaLion 05 DM-i 2025 DM-i 115KM                                                                |
|--------------------------------|------------------------------------------------------------------------------------------------|
| Battery Type                   | LFP Battery                                                                                    |
| Battery Special Technology     | Blade Battery                                                                                  |
| Cell Brand                     | FinDreams                                                                                      |
| Battery Warranty               | Lifetime warranty for the first owner (exclusions subject to official terms)                   |
| Battery Capacity               | 18.3                                                                                           |
| Battery Energy Density (Wh/kg) | -                                                                                              |
| Battery Charging Rate          | -                                                                                              |
| Battery Charging (Summary)     | ● Standard: Fast charge 34 min; ● Standard: Slow charge 5.36 h; ● Standard: Fast charging port |

| Parameter                             | SeaLion 05 DM-i 2025 DM-i 115KM        |
|---------------------------------------|----------------------------------------|
| Charging Time                         | Fast charge 34 min; Slow charge 5.36 h |
| Battery Charging - Fast Charging Port | ● Standard: Fast charging port         |
| MAX Fast Charge Power                 | 18                                     |
| Fast Charging Port Position (Summary) | Right rear fender                      |
| Fast Charging Port Position - Option  | Right rear fender                      |
| Slow Charging Port Position (Summary) | Right rear fender                      |
| Slow Charging Port Position - Option  | Right rear fender                      |
| Battery Heating System                | Standard                               |
| Battery Cooling System                | Liquid cooling                         |
| One-pedal Mode                        | -                                      |
| VTOL Mobile Power Station             | Standard                               |
| VTOL Maximum External Discharge Power | 3.3kW                                  |
| VTOV Maximum External Discharge Power | -                                      |

## Transmission

| Parameter                | SeaLion 05 DM-i 2025 DM-i 115KM                       |
|--------------------------|-------------------------------------------------------|
| Transmission Description | E-CVT                                                 |
| Number of Gears          | Continuously variable transmission                    |
| Transmission Type        | Electronic Continuously Variable Transmission (E-CVT) |

## Chassis / Steering

| Parameter              | SeaLion 05 DM-i 2025 DM-i 115KM   |
|------------------------|-----------------------------------|
| Drive Type             | Front-mounted FWD                 |
| Front Suspension       | MacPherson independent suspension |
| Rear Suspension        | Multi-link independent suspension |
| Steering Type          | Electric power steering           |
| Vehicle Body Structure | Unibody                           |

## Wheels / Brakes

| Parameter                                                | SeaLion 05 DM-i 2025 DM-i 115KM                                                                                                                                                           |
|----------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Front Brake Type                                         | Ventilated disc                                                                                                                                                                           |
| Rear Brake Type                                          | Solid disc                                                                                                                                                                                |
| Parking Brake Type                                       | Electronic parking brake                                                                                                                                                                  |
| Front Tire Size                                          | 235/50 R19                                                                                                                                                                                |
| Rear Tire Size                                           | 235/50 R19                                                                                                                                                                                |
