

# Roewe D7 DMH 2023 125Flagshipversion Specifications

## Basic Information

| Parameter                                     | Roewe D7 DMH 2023 125Flagshipversion |
|-----------------------------------------------|--------------------------------------|
| Official Price                                | RMB 145,800                          |
| Manufacturer                                  | SAIC Motor                           |
| Class                                         | Mid-sizeVehicle                      |
| Energy Type                                   | Plug-in Hybrid                       |
| Market Time                                   | 2023.11                              |
| Engine Description                            | 1.5L 112horsepower L4 Plug-in Hybrid |
| CLTC Range                                    | 103                                  |
| Wltc Recharge Mileage                         | 103                                  |
| CLTC Pure Electric Range (km)                 | 125                                  |
| Combined Cruising Range Cltc                  | 1400                                 |
| Charging Time                                 | Fast charge 28 min                   |
| Fast Charging Window (%)                      | 30-80                                |
| Engine Maximum Power (kW)                     | 82(112Ps)                            |
| Electric Motor Maximum Power (kW)             | 150(204Ps)                           |
| Maximum Torque (N·m)                          | 135                                  |
| Electric Motor Maximum Torque (N·m)           | 330                                  |
| Transmission Description                      | 1gearDHT                             |
| Length x Width x Height (mm)                  | 4890x1890x1510                       |
| Body Structure                                | 4-door 5-seat sedan                  |
| Top Speed (km/h)                              | 185                                  |
| Official 0-100 km/h Acceleration (s)          | 7.9                                  |
| WLTC Fuel Consumption (L/100km)               | 1.02                                 |
| Energy Consumption (kWh/100km)                | 13.9                                 |
| Equivalent Fuel Consumption (L/100km)         | 1.57                                 |
| State OF Charge Fuel Consumption              | 4.79                                 |
| Fuel Consumption at Low Charge WLTC (L/100km) | 4.79                                 |
| Vehicle Warranty                              | 6 years or 150,000 km                |

## Body

| Parameter                     | Roewe D7 DMH 2023 125Flagshipversion |
|-------------------------------|--------------------------------------|
| Length (mm)                   | 4890                                 |
| Width (mm)                    | 1890                                 |
| Height (mm)                   | 1510                                 |
| Wheelbase (mm)                | 2810                                 |
| Front Track (mm)              | 1600                                 |
| Rear Track (mm)               | 1600                                 |
| Minimum Ground Clearance (mm) | -                                    |
| Body Structure                | sedan                                |
| Number of Doors               | 4                                    |
| Door Opening Type             | Hinged doors                         |
| Seats                         | 5                                    |
| Curb Weight (kg)              | 1695                                 |
| Gross Weight (kg)             | 2142                                 |
| OIL Tank Volume               | 55.0                                 |
| Cargo Volume (L)              | 450                                  |
| Minimum Turning Radius (m)    | 5.81m                                |

| Parameter             | Roewe D7 DMH 2023 125Flagshipversion |
|-----------------------|--------------------------------------|
| Drag Coefficient (Cd) | 0.23                                 |

## Engine

| Parameter               | Roewe D7 DMH 2023 125Flagshipversion |
|-------------------------|--------------------------------------|
| Engine Model            | 15FHC                                |
| Displacement (mL)       | 1498                                 |
| Displacement (L)        | 1.5                                  |
| Aspiration              | Naturally aspirated                  |
| Engine Layout           | Transverse-mounted                   |
| Cylinder Arrangement    | L                                    |
| Number of Cylinders     | 4                                    |
| Valves per Cylinder     | 4                                    |
| Compression Ratio       | 16                                   |
| Valve Train             | DOHC                                 |
| Maximum Horsepower (Ps) | 112                                  |
| Maximum Power (kW)      | 82                                   |
| Maximum Net Power (kW)  | -                                    |
| Maximum Power RPM       | -                                    |
| Maximum Torque (N·m)    | 135                                  |
| Maximum Torque RPM      | -                                    |
| Engine Technology       | -                                    |
| Energy Type             | Plug-in Hybrid                       |
| Fuel Grade              | 92#                                  |
| Fuel Supply System      | Multi-point fuel injection           |
| Cylinder Head Material  | Aluminum alloy                       |
| Cylinder Block Material | Aluminum alloy                       |
| Emission Standard       | China VI                             |

## Electric Motor

| Parameter                    | Roewe D7 DMH 2023 125Flagshipversion |
|------------------------------|--------------------------------------|
| Electric Description         | Plug-in Hybrid 204horsepower         |
| Motor Type                   | Permanent magnet synchronous         |
| Total Motor Power            | 150                                  |
| Total Motor Horsepower (Ps)  | 204                                  |
| Total Motor Torque           | 330                                  |
| Front Motor Max Power (kW)   | 150                                  |
| Front Motor Max Torque (N·m) | 330                                  |
| Drive Motor Count            | Single motor                         |
| Motor Layout                 | Front-mounted                        |

## Battery / Charging

| Parameter                             | Roewe D7 DMH 2023 125Flagshipversion                                         |
|---------------------------------------|------------------------------------------------------------------------------|
| Battery Type                          | LFP Battery                                                                  |
| Cell Brand                            | Shanghai Jiexin                                                              |
| Battery Warranty                      | Lifetime warranty for the first owner (exclusions subject to official terms) |
| Battery Capacity                      | 21.4                                                                         |
| Battery Energy Density (Wh/kg)        | -                                                                            |
| Battery Charging Rate                 | -                                                                            |
| Battery Charging (Summary)            | ● Standard: Fast charge 28 min; ● Standard: Fast charging port               |
| Charging Time                         | Fast charge 28 min                                                           |
| Battery Charging - Fast Charging Port | ● Standard: Fast charging port                                               |

| Parameter                             | Roewe D7 DMH 2023 125Flagshipversion |
|---------------------------------------|--------------------------------------|
| Fast Charging Port Position (Summary) | left fuelboxposition                 |
| Left Fuel Tank Position               | left fuelboxposition                 |
| Slow Charging Port Position (Summary) | left fuelboxposition                 |
| Left Fuel Tank Position               | left fuelboxposition                 |
| Battery Heating System                | Standard                             |
| Battery Cooling System                | Liquid cooling                       |
| One-pedal Mode                        | -                                    |
| VTOL Mobile Power Station             | -                                    |
| VTOL Maximum External Discharge Power | -                                    |
| VTOV Maximum External Discharge Power | -                                    |

## Transmission

| Parameter                | Roewe D7 DMH 2023 125Flagshipversion |
|--------------------------|--------------------------------------|
| Transmission Description | 1gearDHT                             |
| Number of Gears          | 1                                    |
| Transmission Type        | Dedicated Hybridtransmission(DHT)    |

## Chassis / Steering

| Parameter              | Roewe D7 DMH 2023 125Flagshipversion |
|------------------------|--------------------------------------|
| Drive Type             | Front-mounted FWD                    |
| Front Suspension       | MacPherson independent suspension    |
| Rear Suspension        | Multi-link independent suspension    |
| Steering Type          | Electric power steering              |
| Vehicle Body Structure | Unibody                              |

## Wheels / Brakes

| Parameter                                                | Roewe D7 DMH 2023 125Flagshipversion                                      |
|----------------------------------------------------------|---------------------------------------------------------------------------|
| Front Brake Type                                         | Ventilated disc                                                           |
| Rear Brake Type                                          | Solid disc                                                                |
| Parking Brake Type                                       | Electronic parking brake                                                  |
| Front Tire Size                                          | 225/50 R18                                                                |
| Rear Tire Size                                           | 225/50 R18                                                                |
| Spare Tire Specification                                 | -                                                                         |
| Passive Safety                                           | -                                                                         |
| ABS                                                      | Standard                                                                  |
| Brake-force Distribution (EBD/CBC)                       | Standard                                                                  |
| Brake Assist (EBA/BA)                                    | Standard                                                                  |
| Traction Control (TCS/ASR)                               | Standard                                                                  |
| Body Stability System (ESP/DSC)                          | Standard                                                                  |
| Active Safety Warning System                             | ● Standard: Lane departure warning; ● Standard: Forward collision warning |
| Active Safety Warning System - Lane Departure Warning    | ● Standard: Lane departure warning                                        |
| Active Safety Warning System - Forward Collision Warning | ● Standard: Forward collision warning                                     |
| Automatic Emergency Braking                              | Standard                                                                  |
