# Export Buyer FAQ

## Can 2026 Xiaomi SU7 be exported from China?

Yes. We support China vehicle export quotation, including FOB, CIF and EXW options depending on destination port, stock status and buyer requirements.

## Can you provide real vehicle photos and VIN information?

Yes. Real vehicle photos, videos, VIN confirmation, mileage confirmation for used cars and inspection support can be provided before order confirmation.

## What shipping methods are available?

Container shipping and Ro-Ro shipping can be arranged according to destination port, vehicle quantity and route availability.

## Are the RMB and USD prices final transaction prices?

No. Prices shown on the model library are reference guide prices or reference conversions. Final quotation depends on stock, version, export method, destination and shipping cost.

## What is the price of SU7 in China?

SU7 reference prices are shown in RMB and USD on this page. Final FOB, CIF or EXW quotation should be confirmed according to stock status, destination port and order quantity.

## Can SU7 be exported from China?

Yes. EBU AUTO can support vehicle sourcing, quotation, inspection, export documents and shipping arrangement for overseas buyers, dealers and importers.

## Can I download the SU7 configuration table?

Yes. This Car Specs page provides a downloadable configuration table for trim comparison and buyer reference.

## Export Support

EBU AUTO can support FOB, CIF and EXW quotation, vehicle photos and videos, VIN confirmation, inspection support, export documents, container/Ro-Ro shipping and port coordination. Final availability, price and shipping cost must be confirmed before order.
